## Verification of Deposit Books

The bank commissioner of the state of Vermont has designated the month of May, 1915, as the time for the verification of deposit books in all the savings banks of Vermont. In accordance therewith you are requested to forward your deposit book by mail or bring it to us, as is most convenient for you, for verification, and at the same time you will please give your correct address. Books received by mail will be verified and returned at once. We desire a prompt response to this request and convent that you retain the envelope covering the book in your possession. Address your communication to

THE MONTPELIER SAVINGS BANK AND TRUST CO.

THE NATIONAL BANK OF BARRE located at Barre, in the state of Vermont, is closing its affairs. All note holders and other creditors of the association are therefore hereby notified to present the notes and other claims for payment.

C. M. WILLEY, Cashier.

The Quarry Savings Bank & Trust Co. has succeeded the National Bank of Barre, having purchased the assets and assumed the liabilities of said National Bank of Barre and has a paid-up capital stock of one hundred thousand (\$100,000.00) dollars. Washington, D. C., May 19 .- Statistics erage stock for 1911 are presented in a bulletin soon to be issued by Director

#### ESTATE OF GEORGE INGLIS.

chief statistician for manufactures.

The production of slack cooperage stock reported in 1911 by 1.182 mills amounted to 1.328,968,000 staves, 106, 407,000 sets of heading, and 353,215,000 hoops, as compared with 1,460,878,000 staves, 97,037,000 sets of heading, and 295,712,000 hoops reported by 1.298 establishments in 1910. These figures represent a decrease of 9 per cent, in production of staves and increases of 9.70 event, and 19.4 per cent, respectively, in production of heading and of hoops. Slack cooperage, includes the materials essential to the manufacture of barrels for all purposes other than for containers of liquids. Semi-tight cooperage stock used for making vessels required to help to the production of staves and increases of 9.70 making vessels required to the production of staves and increases of 9.70 making vessels required to the production of staves and increases of 9.70 making vessels required to the production of the administrator of the estate of said deceased and for a decree of the residue of said estate to the lawful claimants of the same, and ordered that public notice thereof be given to all persons in the same published at the city of Barre in addistrict.

The Honorable Probate Court for the District Aforesaid:

To all personation:

WHEREAS, said court has assigned the thing of the estate of said deceased and for a decree of the residue of said estate to the lawful claimants of the same, and ordered that public notice thereof be given to all persons in the Barre Daily Times, a new factor of the same and district.

The Honorable Probate Court for the District Aforesaid:

To all personation:

WHEREAS, said court has assigned the thing of the estate of said deceased and for a decree of the residue of said estate to the lawful claimants of the same, and ordered that public notice thereof be given to all persons interested in said district, and the same and ordered that public notice thereof the production of the administrator of the estate of said estate to the lawful claimants of the s

## COMMISSIONER'S NOTICE.

substance as dried fish, leaf tobacco, cement, lime, powder, paints, hardware, chemicals, flour meal, sugar crackers, starch, resin, salts, cranberries and vegetables.

Since 1909, when the production of beech staves first exceeded that of elm staves there has been no change in the ranking of the four important stave woods. Comparing 1911 with 1910, not only has the order of the leading woods remained the same, but the percentage each forms to the total remains fairly constant.

For tight cooperage stock, woods of particular qualities are demanded; on substance as dried fish, leaf tobacco, ce-ESTATE OF JENNIE E. COFFIN.

S. C. HUTCHINSON, JAMES RAMAGE. Commissioners.

ESTATE OF ANDREA RESTELLI.

ESTATE OF ANDREA RESTELLI.

State of Vermont, District of Washington, as.

The Honorable Probate Court for the District of Washington:

To all persons interested in the estate of Andrea Restelli, late of the city of Barre, in said district, deceased, GREETING:

At a probate court, holden at Montpelier, within and for said district, on the 10th day of May, 1913, an instrument purporting to be the last will and testament of Andrea Restelli, late of the city of Barre, in said district, deceased, was presented to the court aforesaid, for probate.

And it is ordered by said court that the 29th day of May, 1913, at the probate office in said Montpelier, be assigned for proving said instrument; and that notice thereof be given to all persons concerned, by publishing this order three weeks successively in the Barre Daily Times, a newspaper circulating in that vicinity, in said district, previous to the time appointed.

Therefore, you are hereby notified to appear before said court, at the time and place aforesaid, and contest the probate of said will, if you have cause.

Given under my hand at Montpelier, in said district, this 10th day of May, 1913.

FRANK J. MARTIN, Judge.

May 12-19-26

ESTATE OF May in the Borre of Washington:

The Honorable Probate Court for the District of Washington:

To all persons interested in the estate of high trees. Mail is delivered: grocery teem fruit trees. Mail is delivered: grocery it grow in trees. Mail is delivered: grocery teem fruit trees. Mail is del

They are becoming more and more the active competitors of elm staves. Their most extensive use probably is for sugar barrels. Beech s not only the most conspicuous of oth day of May, 1918. FRANK J. MARTIN, Judge.
